NFNLP Certified
Master Practitioner
Online Program
December 2025

Who will benefit

This course is essential for anyone serious about truly fulfilling his or her potential. It will benefit everyone from a recent graduate to a top executive, irrespective of profession or discipline.

Eligibility: Individuals who have completed their Basic Practitioner Certification Program from NFNLP or a similar organization (with prior approval from NFNLP), are eligible for this program.

An investment of 4 days and a nominal fee will give you insights and abilities you never thought possible. Receive the benefit of years of experience in just hours. You will bring home proven techniques to improve your client's lives NOW! You will be experiencing a personal transformation that will leave you inspired, informed and motivated

NLP

- NLP is the New Technology of Achievement and Modelling Excellence
- It is an attitude, methodology and powerful structure that can be modelled, learned, taught and re-programmed.

You can change your brain and keep the change
